Sir:

In accordance with 37 C.F.R. §1.56, applicants wish to call the attention of the Examiner to the information identified in the attached Information Disclosure Citation List, pursuant to 37 C.F.R. §§ 1.97 and 1.98. Copies of all of the cited documents, except the US Patent Document, are enclosed. It is noted that the cited documents include the English translation of an Office Action from the Japanese Patent Office in a counterpart Japanese application, in which the cited Japanese Patent Document is cited and briefly discussed. The Examiner is requested to consider all of the cited documents, including the English-language translation of the Japanese Office Action, and indicate his or her consideration of the documents by initialing the enclosed Citation List adjacent the citation of each document and returning the initialed list with the next Office Action.

The English-language translation of the Japanese Office Action is cited and provided merely to make available the English-language statements related to the cited Japanese Patent documents. Citation of the Japanese Office Action is not intended, and should not be construed, as an indication that applicants are in agreement with any of the statements made therein.

The citation of these documents does not, and is not intended to, constitute a representation that a search has been made (37 C.F.R. 1.97(g)), a waiver or admission of priority or that any cited document is available as a reference, alone or when combined, or is "prior art" under 35 U.S.C. §102 or 103, or a waiver of any right under applicable statutes, codes, rules, or otherwise. The filing of this IDS shall not be construed as an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists, or as an admission against interests in any manner. See Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Applicants note that this Information Disclosure Statement is being filed simultaneously with a Request for Continued Examination (RCE). Please charge any fees necessary for the consideration of this Information Disclosure Statement to Deposit Account 13-0760 (Dkt. No. 06173.4019US).
